

Federica Ziaco

UX/UI Designer | iOS Developer | Front-End Developer

Napoli, Italy | ziacofederica@gmail.com | www.linkedin.com/in/federicaziaco | <https://github.com/feffyx>

EXPERIENCE

KBM Group London August 2024	Web Designer Developed four different websites for the company following instructions that were given on how the design should've been. Developed skills in web Designing
Hackathon 2024 Napoli May 2024 - June 2024	App Designer Developed Team working skills while creating a smart and innovative project for the city, an app that helps people make enviromental friendly choices. My role in the project was to create the interface of the app that we decided to build, using Figma.
Apple Foundation Program XV @ Unisob Napoli Jan 2024 - Feb 2024	iOS Developer/Designer Learned the basics of Swift programming, UX/UI Design, and Figma. Led a team in the development of an app, and enhanced my leadership and presentation skills. As the course ojctive, we developed an app to assist visually impaired individuals navigating public transportation systems.

EDUCATION

Apple Developer Academy Sep 2024 - June 2025	iOS Developer/Designer The program focuses on software development, startup creation and app design with an emphasis on creativity and collaboration to empower and equip students to develop the skills needed to succeed.
University of Naples Suor Orsola Benincasa Oct 2022 - July 2025	Linguistics and new technologies Bachelor degree Specializing in German and English. Studied private law of the digital world and economics. Applying informatics studies such as information technology and computing.
